**FIRST CAUSE OF ACTION**  
**VIOLATIONS OF THE AMERICANS WITH DISABILITIES ACT**

13. Plaintiff re-avers and re-alleges the allegations set forth above, as though fully set forth herein.

14. On or about July 26, 1990, Congress enacted the Americans with Disabilities Act, 42 U.S.C. § 12101, *et seq.*

15. Congress specifically found, *inter alia*, that:<sup>1</sup>

- a. Some 43,000,000 Americans have one or more physical or mental disabilities, and this number is increasing as the population as a whole is growing older;
- b. Historically, society has tended to isolate and segregate individuals with disabilities, and, despite some improvements, such forms of discrimination against individuals with disabilities continue to be a serious and pervasive social problem;
- c. Individuals with disabilities continually encounter various forms of discrimination, including outright intentional exclusion, the discriminatory effects of architectural, transportation, and communication barriers, overprotective rules and policies, failure to make modifications to existing facilities and practices, exclusionary qualification standards and criteria, segregation, and relegation to lesser service, programs, activities, benefits, jobs, or other opportunities

<sup>1</sup> 42 U.S.C. § 12101(a)(1) – (3), (5), and (9).

- d. Discrimination against individuals with disabilities persists in such critical areas of employment, housing, public accommodations, education, transportation, communication, recreation, institutionalization, health services, voting, and access to public services; and,
- e. The continuing existence of unfair and unnecessary discrimination and prejudice denies people with disabilities the opportunity to compete on an equal basis and to pursue those opportunities for which our free society is justifiably famous, and costs the United States billions of dollars in unnecessary expenses resulting from dependency and non-productivity.

16. Congress explicitly set forth the purpose of the ADA; to wit:<sup>2</sup>

- (i) Provide a clear and comprehensive national mandate for the elimination of discrimination against individuals with disabilities;
- (ii) Provide a clear, strong, consistent, enforceable standards addressing discrimination against individuals with disabilities; and,
- (iii) Invoke the sweep of congressional authority, including the power to enforce the fourteenth amendment and to regulate commerce, in order to address the major areas of discrimination faced day-to-day by people with disabilities.

17. The congressional legislation provided commercial enterprises with a period of one and a half years from the enactment of the statute to implement the requirements imposed under the ADA.

18. The effective date of Title III of the ADA was January 26, 1992 (or January 26, 1993, if Defendant has 10 or fewer employees and gross receipts of \$500,000.00 or less).<sup>3</sup>

<sup>3</sup> 42 U.S.C. § 12181; 28 C.F.R. § 36.508(a).

19. Pursuant to 42 U.S.C. §1281(7) and 28 C.F.R. §36.104, the Subject Facility, which is subject to this action is a public accommodation because it provides good and services to the public.
20. Upon information and belief, the Subject Facility has begun operations, and/or has undergone substantial remodeling, repairs and/or alterations since January 26, 1992, and/or has sufficient income to make readily achievable accessibility modifications.
21. Pursuant to the mandates of 42 U.S.C. § 12134(a), on July 26, 1991, the Department of Justice, Office of Attorney General, promulgated federal regulations to implement the requirements of the ADA (the “ADAAG”).<sup>4</sup>
22. Public accommodations were required to conform to these regulations by January 26, 1992 (or January 26, 1993, if Defendant has 10 or fewer employees and gross receipts of \$500,000.00 or less).<sup>5</sup>
23. The Defendants’ Property and Subject Facility is legally required to be, **but is not**, in compliance with the ADA and/or ADAAG.
24. The Defendants’ Property and Subject Facility are in violation under the ADA, 42 U.S.C. § 12181 *et seq.* and 28 C.F.R. § 36.302 *et. seq.* in that the Defendants are discriminating against the Plaintiff, as a result of the following specific violations, which include, but are not limited to, the following:
- a. Inaccessible entrance at the Subject Facility.
  - b. Failure to provide an accessible route to the Subject Facility, for navigation by a wheelchair.
  - c. Failure to provide an accessible means of egress, at the existing step leading to the entrance of the Subject Facility, for navigation by a wheelchair, in that the

existing step leading to the entrance of the Subject Facility acts as a barrier to accessibility.

- d. Failure to provide a ramp for the existing step at the travel path leading to the entrance of the Subject Facility.
  - e. The required minimum maneuvering clearance is not provided at the door of the entrance of the Subject Facility.
  - f. Failure to provide a compliant change in the floor level within the required maneuvering clearance at the door of the entrance of the Subject Facility, making the Subject Facility inaccessible to wheelchair bound patrons.
  - g. Inaccessible service counter, in that the non-compliant height of the service counter exceeds the maximum height allowance.
  - h. Inaccessible dining tables, in that the required minimum knee and toe clearance is not provided at the dining tables.
25. Plaintiff has attempted to access the Defendants' Property and Subject Facility, but has been precluded from accessing the Defendants' Property and Subject Facility, because of his disabilities; specifically, Plaintiff was precluded by physical barriers to access, dangerous conditions, and ADA violations existing upon the Defendants' Property and Subject Facility. These violations, which include but are not limited to those enumerated herein, prohibit Plaintiff from accessing the Defendants' Property and Subject Facility, and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein.
26. Remediating the ADA and/or ADAAG violations set forth herein is both technically feasible and readily achievable.

27. Plaintiff intends to visit the Defendants' Property and Subject Facility, again in the future (immediately upon Defendants' compliance with an Order of this Court requiring that Defendants remedy the subject ADA violations) in order to utilize all of the goods, services, facilities, privileges, advantages and/or accommodations offered at the Defendants' Property and Subject Facility; however, in light of his disability, unless and until the Defendants' Property and Subject Facility, is brought into compliance with the ADA, Plaintiff will remain unable to fully, properly, and safely access the Defendants' Property and Subject Facility, and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein.
28. As a result of the foregoing, Defendants have discriminated against, and continue to discriminate against the Plaintiff, and others similarly situated, by denying access to, and full and equal enjoyment of, the goods, services, facilities, privileges, advantages and/or accommodations of the Defendants' Property and/or Subject Facility. Defendants' discrimination is specifically prohibited by 42 U.S.C. § 12182, *et seq.*
29. Moreover, Defendants will continue to discriminate against Plaintiff, and others similarly situated, until it is compelled by this Court to remove all physical barriers upon the Defendants' Property and Subject Facility, which violate the ADA and/or ADAAG, including but not limited to those specifically set forth herein, and to make the Defendants' Property and Subject Facility, accessible to and usable by persons with disabilities, including Plaintiff.
30. Plaintiff is without adequate remedy at law, and is suffering irreparable harm, and reasonably anticipates that he will continue to suffer irreparable harm unless and until Defendants are required to remove the physical barriers, dangerous conditions, and ADA and/or ADAAG

violations that exist upon the Defendants' Property and Subject Facility, including but not limited to those set forth herein.

31. This Court is vested with authority to grant injunctive relief sought by Plaintiff herein, including entry of an order requiring alteration and modification of the Defendants' Property and Subject Facility, so as to make readily accessible to and useable by individuals with disabilities, including but not limited to Plaintiff to the extent required by ADA and/or ADAAG.
32. Plaintiff has been obligated to retain the undersigned counsel for the filing and prosecution of this action, and has agreed to pay counsel reasonable attorney's fees, costs, and litigation expenses, all of which are recoverable against the Defendants.<sup>6</sup>

**SECOND CAUSE OF ACTION**  
**VIOLATIONS OF THE NYSHRL**

33. Plaintiff re-avers and re-alleges the allegations set forth above, as though fully set forth herein.

34. The New York State Human Rights Law provides:

It shall be an unlawful discriminatory practice for any person, being the owner, lessee, proprietor, manager, superintendent, agent or employee of any place of public accommodation...because of the ... disability ... of any person, directly or indirectly, to refuse, withhold from or deny to such person any of the accommodations, advantages, facilities or privileges thereof ... to the effect that any of the accommodations, advantages, facilities and privileges of any such place shall be refused, withheld from or denied to any person on account of ... disability ...<sup>7</sup>

37. By maintaining architectural barriers that discriminate against people with disabilities through the actions described above, Defendants have, directly or indirectly, refused, withheld, and/or denied to Plaintiff, because of his disability, the accommodations, advantages, facilities or privileges thereof provided at the Defendants' Property and Subject Facility. Failure on the part of Defendants to act to identify and remove barriers can be construed as an act of "negligent per se."
38. Plaintiff has been damaged and will continue to be damaged by this discrimination as more fully set forth above and, in addition to injunctive relief, seeks judgment pursuant to N.Y. Exec. Law §297, including for damages pursuant to § 297(9) thereof.

43. Plaintiff respectfully requests a judgment pursuant to N.Y. Exec. Law § 297, including compensatory damages contemplated by § 297(9)

**DAMAGES**

44. Plaintiff demands One Thousand Dollars (\$1,000.00) in compensatory damages based on Defendants' violation of the NYSHRL and the NYCHRL.

**INJUNCTIVE RELIEF**

45. Plaintiff will continue to experience unlawful discrimination because of Defendants' failure to comply with the ADA, the NYSHRL and NYCHRL.
46. Pursuant to 42 U.S.C. § 12188, this Honorable Court is vested with the authority to grant injunctive relief in favor of the Plaintiff, including but not limited to the issuance of an Order to alter the Defendants' Property and Subject Facility so that they are made readily accessible to, and useable by, all individuals with disabilities, including Plaintiff, as required pursuant to the ADA, the NYSHRL, NYCHRL, and closing the facilities until the requisite modifications are complete.
47. Therefore, injunctive relief is necessary to order Defendants to alter and modify their place of public accommodation, their policies, business practices, operations and procedures.
48. Injunctive relief is also necessary to make the Subject Premises readily accessible and useable by Plaintiff in accordance with the ADA, the NYSHRL and the NYCHRL.
